The Back Story with **MISCHA DUFFIE**

Every story has a story . . . a back story. Why this book with this title? Why this movie with these characters? Why this song with these lyrics? What about this topic commanded an op-ed? Many are the questions a reader can have as he/she engages with a writer's offering. The Back Story is where we explore the creative reckoning of writers while simultaneously pushing out our own.

**SATURDAYS
1PM - 2 PM PST**

Starting October 2, 2021
